

The logo consists of a white square on a black background. Inside the square, at the bottom, is a stylized black silhouette of a landscape feature, possibly a hill or a wave. The text 'aragón' is written in a white, lowercase, sans-serif font, with the 'a' partially cut off by the left edge of the square. Below 'aragón', the word 'exterior' is written in the same font, also in white, with the 'e' partially cut off by the left edge of the square.
